

White Christmas, Moon Curser way.....

The hills around here are white with snow and some do consider the white dove of peace to be the official bird of the season.

To us though, the official bird looks more like a turkey - and that calls for a **FREE SHIPPING** special, a couple of delicious and interesting **WHITE WINE** pairing suggestions, and a **GIFT** of gift boxes. Please read on:

We are offering **FREE SHIPPING** on **ANY ORDER, ANY SIZE, ANYWHERE IN CANADA** placed on or before December 20th.

And just because we are a classy operation, we will also enclose with your order a couple (or more, if requested) of lovely 1-, or 2 - bottle **GIFT BOXES**, and a length of coordinating wide satin ribbon. This is the only time of year when we will encourage you to share your Moon Curser loot this way.

And since we are sharing: we would like to suggest the following two **white wines** to pair with the family Christmas turkey dinner.

2014 ARNEIS, CONTRABAND SERIES - \$26 per bottle

Winner: **GOLD MEDAL** - 2015 All Canadian Wine Championships

91 pts Beppi Crosariol, The Globe and Mail: "superb effort, (...) medium bodied and rounded in texture"
August 6, 2015

We are (to the best of our knowledge) the only winery in Canada growing this wonderful wine. Arneis originates in the Piedmont region of Italy. We fell in love with it, and the fact that the name means "little rascal" in the local dialect just sealed the deal for us. A fresh and fruity palate, free of oak, with an elegant spine of acidity and mineral notes running through it makes this a terrific food - friendly wine.

2014 AFRAID OF THE DARK - \$22 per bottle

Winner: **GOLD MEDAL** - 2015 Northwest Wine Summit

This is a fruit-forward, intense blend of Osoyoos East Bench - grown Rhone grapes: Viognier, Marsanne and Roussanne. One of only a handful of BC grown Marsanne/Roussanne blends, this bright, citrusy wine with undertones of ginger and ripe peach continues to be a favourite in the Moon Curser portfolio.
