

Moon Curser Vineyards is a boutique, family-owned winery on the East Bench of Osoyoos, a South Okanagan border town known for its natural beauty and hot summers.

The winery name pays tribute to the gold smuggling history of Osoyoos. The wines, however, break from tradition – Moon Curser grows unusual to the Okanagan varieties such as Tempranillo and Tannat.

Moon Curser was named Best Performing Small Winery at the 2019 WineAlign National Wine Awards of Canada.
