

Moon Curser Vineyards is a family owned winery located in Osoyoos, a small South Okanagan border town known for its hot summers, lakeside fun and vineyards.

The Moon Curser name pays tribute to the gold smuggling history of Osoyoos. Its wines, however, show no such respect for tradition – the winery is known for growing unusual old varieties such as Tannat, Tempranillo and Dolcetto, among others.

The vines have thrived in Osoyoos and continue to deliver unique, world-class interpretations of these traditional wines. Moon Curser has brought home many a gold medal from Canadian and international wine competitions.
